LE INFORMAZIONI

35 Rose St, Covent Garden
LONDON, WC2E 9EB **SULL'AZIENDA** ESTABLISHED 1991

When we opened the first Carluccio's caffè our aim was to provide great quality, authentic Italian food at sensible prices. We also wanted to allow informal but excellent service to our customers. The aims remain the same today.

We do our best to create a memorable experience in a happy bustling environment and I would appreciate any feedback, comments or complaints you may have. Please feel free to email me directly and I will always make an effort to reply to you personally.
